# FRESHMAN

As editors of the Torch, we are proud in presenting this yearbook of the first true Silver Lake graduating class. Coming to the school as Freshmen and graduating as Seniors, these students have become Silver Lake students, gaining a spirit that can only be obtained by spending four years at an outstanding school. This class has played a most important part in the unification of a modern school; a school worthy of the pride that is becoming increasingly evident among the students. As a class, it has made a beginning step in establishing a fine tradition. We believe and hope that future classes will continue to evidence the unity and tradition of Silver Lake.

JAL

Our theme centers around  
Mondrian design, a modern  
and yet unexplored field of  
art. We feel that we are  
original in both our choice  
and attempt at individuality,  
truly a first in yearbook com-  
position.

## DEDICATION

To Mr. Robert R. Ringer, a teacher who has inspired in us both respect and understanding, we, the class of 1959 proudly dedicate The Torch.

We shall always remember and appreciate his fine English class. It is a class which Mr. Ringer's unique sense of humor and outstanding ability has made a memorable one. He has been an ever-present guide to our Senior Class, a guide not only to knowledge, but also to attaining understanding and self confidence.

Mr. Ringer's theatrical talents and fine direction assured success to our Senior Class Play. In him the Dramatics Club has found its finest adviser.

Yes, we very proudly dedicate our yearbook to a man who has guided us faithfully through a wonderful high school year. We owe to him what we can never repay — a part of ourselves.

## OUR SCHOOL

# ADMINISTRATION

Chester Ray — Superintendent

Francis Moran — Assistant Superintendent

At this time I extend to you my sincere congratulations as you prepare to enter upon the responsibilities of adult society. Some of you will immediately assume these responsibilities as you enter the vocational world. Others will find increased responsibilities as you continue your studies in college and other specialized institutions. No matter which path you pursue as you go forward towards your goal in life you will find that education is a continuing process long after "school bells" have ceased to ring.

Arthur Silvester

The Class of 1959 is the first four-year class to be graduated from Silver Lake. This is living proof that a regional high school can achieve the same unity formerly found only in a town or city high school. I further consider this class to be a monument to the vision of the original planning committee which had the courage to establish the regional idea in this section of the state. Congratulations and best wishes, Class of 1959.

Francis Moran

Arthur Silvester — Principal

Thomas Barhom — Assistant Superintendent

## SENIOR PLAY

When the curtain rang down on the final performance of the seniors' production, *The Curious Savage*, by Jahn Patrick, the class relaxed for the first time in eight weeks, justifiably proud of having produced Silver Lake's most successful Senior Class Play. Successful financially due to the vigorous ticket drives, successful artistically because of the many weeks of intense rehearsal under the direction of Mr. Ringer, and the hours spent by art and vocational students in building a professional set, the final production stood as a tribute to the Senior Class — a concrete example of what can be produced by a class that works enthusiastically and in harmony.

The play, a delightful comedy in which the virtues of truth and goodness survive the attacks of greed and hypocrisy in a seemingly heart-

less world, played to full houses both nights. Lorraine Calvert was featured as Mrs. Savage; Judith Maran, Albert Maare, Patricia Lennox, Ted Baker and Linda Petersen as the pleasantly balmy guests; Sabra Goff, Manning Rhades and Donald Maurer as the money-hungry relatives; Jahn Graver and Ann Furtado as the doctor and nurse and Gregory Lennax, guest star from the junior high, as John Thomas.

Heading the production staff were Barbara Nartan as Assistant to the Director, and Charles Gately as Business Manager.

To properly credit all who worked to make the play a success, it can be justly said that this was a Senior Class Play in the true sense of the term, a play made possible by the entire Senior Class.

Bob Gerstley was chosen as Silver Lake's Representative to Good Government Day activities in the State House in Boston.

Five boys from the senior class entered the competition. The selection was made by a majority vote of the students.

In the organization of the state government "Bab" took the part of a member of the house of representatives. The day was educational as well as enjoyable.

# NATIONAL HONOR SOCIETY

The Silver Lake National Honor Society enjoyed a most successful year with all its many projects. The picture show, being the most profitable yet, added a large sum to the treasury.

An unforgettable trip to Boston in the fall to various colleges and a movie offered a fine time for all those attending. Did someone say his feet hurt?

The loss of Mrs. Opachinski was felt by all, but with the aid of Miss DeGere, the advisor, the annual induction and dance proved very successful.

With the cooperation of each member, the Honor Society has strived to carry out the ideals of character, scholarship, leadership, and service.

# STUDENT COUNCIL

For the second year the Student Council has sponsored an exchange student. Ilisabeth Friederick of Vienna, Austria was warmly welcomed by the school and more especially by the Senior Class. The student body thoroughly enjoyed the Council sponsored assembly in which Ilisabeth told of life in her homeland.

The Council, always busy in its role as the student-government body of the school, has this year undertaken several new projects. Everyone is familiar with the monitor service which was successfully inaugurated. At intervals the Council has honored noteworthy students through citations read by Mr. Barhom over the public address system. Perhaps less publicized is the scrapbook which is being compiled by a committee of Council members. The scrapbook, containing clippings on school events, will be presented to the library when completed.

Of course, everyone enjoyed the annual dance, "Rock on Mars," presented in January.

# THE KEY CLUB

As one of the newest, yet most active groups in the school, the Key Club has had a very successful year. The group is dedicated primarily to performing service to both school and community. A few of the club's projects have been the football concessions, Christmas food baskets for needy families, and the basketball concessions (with the Student Council).

Surely this group has a bright future. It certainly lives up to its motto: "we build."

# CAFETERIA AND HALL MONITORS

Even the best of us sometimes forget our civic duties. That's where the monitors take over. Whether their persuasive powers are due to their smiles or to their towering height, we do not know; but we do know that when the monitors assumed their duties our school became a better place in which to work and live.

The corridor monitors have been especially helpful in controlling corridor and stairway traffic, while cafeteria monitors are responsible for conditions in the cafeteria. During pep rallies and assemblies the two groups unite to help make passing to and from the gym and Little Theatre a more pleasant experience.

## THE PLAYERS

The Players completed their 1957-58 year with the colorful production of James Barrie's *The Admirable Crichton*. Far the first time in Silver Lake's history the fine stage facilities were used to their fullest advantage, providing the audience with a spectacle rarely seen in amateur productions, a breathtaking sunset dissolving into a shadowy, moon-lit night.

The 1958-59 year saw the formal inception of a new governing body, *Wig & Pen*. This is a select group whose members are chosen upon accumulation of one hundred and fifty points, awarded on the basis of contribution to Players. It is in this group that the plays to be presented are discussed and approved, that the committees are formed, and that the program for the year is planned. It is through

this group that Silver Lake, for the first time in its history, entered the Massachusetts State Drama Festival. In addition, the preliminary contest of the festival was held at Silver Lake on February 21 — another first for the Lakers. At this preliminary seven high schools presented one-acts or portions of three-act plays in competition for the right to appear in the finals at John Hancock Hall in Boston on March 6 and 7. Silver Lake Players entry was Anton Chekov's fine comedy, *"The Baar,"* which featured Poul DiPersia, Sabra Goff, and Donald Maurer.

For its Spring Production Players departed from the usual three-act comedy to present an interesting program of three one-act plays followed by a dance.

## THE LAKER LEGEND

The Laker Legend, school newspaper and magazine, was off to a good start this year when the Christmas issue was a sell out.

The news section contains news of the different classes, coming events, and reports of lectures, club news and special events of the

school. There is also a very good sports section. The magazine section contains short stories, book reports, and poems by the students.

Under the superb direction of Mr. Smith, the entire staff worked at its best to put forth a newspaper worthy of Silver Lake.

## DEBATE CLUB

The Debate Club under the guidance of its adviser, Mr. Frank, has had a well spent year. This year, for the first time, Silver Lake competed extensively against other schools for debating honors. Among the schools against which the group debated were Hingham, Sharon, Marshfield, Notre Dame, Durfee, Quincy, Shrewsbury, Mission, C. Cushing, Hudson, and Mt. St. Charles. Although all the debates were not won by Silver Lake teams, the losses proved educational. The highspot of the year was the district tourney held at Silver Lake in March. Hope for the future runs high since we have many promising younger debaters in the newly formed Junior High Debate Club.

The most important activity of the Science Club this year was its trip to the Hayden Planetarium at the Boston Museum of Science — an interesting and memorable experience. Despite the loss of Mrs. Cingolani, the Science Club has been very active under the guidance of its new adviser, Mrs. McCulloch.

## F. F. A. CLUB

This year the F.F.A., with Mr. Froser as adviser, participated in the State Agricultural Judging Contest at the University of Massachusetts and was represented at the National Agricultural Judging Contest in Iowa by Lewis Blockmon and Richard Word.

In addition, the F.F.A. has taken part in a land clearing forestry

contest, assisted the Extension service in a lamb sale, and participated in a state contest for the most active chapter award.

Social highlight of the year was the Harvest Ball at which Cothy Wingard was chosen F.F.A. Sweetheart.

## HOME ECONOMICS CLUB

The Home Economics Club is under the guidance of Mrs. Pratt. Club members spent an enjoyable year experimenting with recipes and new ideas for home decorations. The day the club made toffee was

unforgettable. These girls will certainly prove excellent homemakers in the near future.

## F. T. A.

The Future Teachers of America began the year by welcoming its new advisor, Mrs. Cherry, and by electing officers.

A new project, the award of an attendance bonnet to a junior high homeroom each month, was immediately launched, with the best attended room receiving a party at the close of the year.

The third annual induction took place on January 8, 1959, in the

library. Many interested teachers attended and refreshments were served.

Through these F.T.A. activities and others, everyone enjoyed a prosperous year, and learned more about his chosen career — education.

## FUTURE NURSES CLUB

At the induction in January of the Future Nurses' Club, the membership was increased to forty-one girls. The club has attended the teas, which are to acquaint girls with nursing, at Quincy City and Brockton Hospitals. The group was fortunate to have very interesting guest

speakers, ranging from student nurses to a physical therapist. Some of the members of the club are working as volunteer nurses' aids at the Jordan Hospital in Plymouth.

## BAND AND MAJORETTES

In the fall the band, directed by Mr. Chauinard, first appeared as a marching unit on the faatball field, along with the drum majarettes, wha are under the guidance af Mr. Andrews. The membrs of these two groups have also livened up many pep rallies, becoming a symbal of the spirit at Silver Lake. In February same af the band members were chasen ta play in the Sautheastern Massachusetts District Concert at Mansfield. There were also many members wha appeared in the Sautheastern Massachusetts Band Master's Band in March. The Silver Lake band was fartunate in having sa many af its members appear in both af these events.

## CHORUS AND GLEE CLUB

Mr. Chauinard's popularity was clearly evidenced by the haard af girls wha flacked to the Little Theater every Manday, Wednesday, and Friday during lunch time this year. As usual, the Christmas Assembly was very inspiring and the Music Festival was a brilliant success.

This year, members of the Bays' Glee Club, Girls' Charus, and High Schaal Band participated, nat only in the concert at Sharan, spansared by the South Eastern Massachusetts Bandmasters' Association but in the New England Educatars' Assaciation Ensemble, the South Eastern District Concert Division an the Massachu- setts Educatars' Association, and in the All State Band, Orchestra, and Charus.

## CHESS CLUB

The club meets every Thursday, with Mr. Smith, the adviser, to play and study the game. It is a wonderful experience for the club to play in an occasional tournament.

## RIFLE CLUB

Under the advisership of Mr. Keith, Rifle Club members have been instructed in the handling and safe use of firearms.

In the fall they participated in several rifle shoots at the local range. During the winter months movies were shown on Alaskan outdoors life. These included films on moose and bear hunting.

When the shoots were resumed in the spring, there was a noticeable improvement in the members marksmanship.

## CHEERLEADERS

The cheerleaders, what would the school's spirit be without those peppy girls!

Aided finonciolly by their very successful dance, they eagerly awoited their new uniforms and megaphones.

You will find the cheerleaders cheering the team on to victory ot every game. Whot would they hove done without the oble ossistance of their new advisor, Mrs. Peterson!

## FOOTBALL

The 1958 football season was the most successful in Silver Lake's history. At the opening practice, coaches Pierce and Lang greeted nine returning lettermen and forty other candidates all anxious to get uniforms.

The team started off surprisingly well by winning three of the first four contests against Abington, Rackland and Middlebarra. After the Middlebarra game, the team was unfortunate in losing a number of close games. Despite the loss of these games, the team showed excellent spirit, and played good football under the leadership of Co-Captains Chuck Gately and Dick Ward.

Next year the Lakers will be looking forward to a winning season under the new Co-Captains Al Goslin and Dave Blanchard.

Under Mr. Killilea's able hand the varsity basketball team found itself entering into one of its most successful seasons. Through the joint efforts of sophomores, juniors and seniors they finished with a league record of 10 wins and 4 losses resulting in third place position. For the second time in the history of Silver Lake the "Lakers" qualified for the "Tech Tourney."

On Feb. 2, the student body assembled in the gym to watch the presentation of athletic awards. Miss Audrey Gill, girls' gym instructor, awarded ten athletic certificates to the junior varsity basketball team and fourteen letters to the varsity field hockey team. Anthony Sirrico, freshman coach, gave out certificates to the freshman football squad, while Edward Parks, track coach, presented to the cross-country team nine letters and three certificates. Hardie Pierce awarded twelve certificates to members of the junior varsity team and 23 letters to the varsity football team. Richard Ward and Philip Bosworth received sweaters from principal Arthur Silvester, who also awarded blazers to Caroline Pratt, Linda Peterson, Susan Candini, and Elizabeth Randall.

Silver Lake moved into a third place tie with Whitman as the Lakers defeated Hingham, 64-42, while second place Plymouth was defeating Whitman, 88-50.

Silver Lake triumphed in basketball team gave a terrific exhibition of aggressiveness and ball stealing Wednesday night at Needham High, broke Somerset's morale and provided a big Tech Tourney Class C upset with a 60-55 victory.

Somerset, with two 6-6 players in the lineup, Captain Mike Salmon and Chris Whitcomb, was a solid favorite to defeat the Lakers. Somerset had won the Narragansett League championship and was one of the top favorites in Class C.

Little Paul Lopes and Dave Spatz completely upset Somerset as they continually stole the ball and broke up plays. Somerset had trouble getting the ball past mid-court and they were completely flustered after the first few minutes.

Silver Lake Coach John Killilea used his five starters the whole way and they were remarkable. Lopes and Spatz stole the ball and fed their teammates on fast breaks, Dick Ward and Bill Carey were strong on the boards, and Mike Leonard.

Silver Lake qualified for the Tech Tourney last night by defeating Rockland 70-37, in an Old Colony Basketball League game. The Lakers gave Wareham a lot of trouble before losing, 84-62, and Whitman defeated Abington, 69-54.

Dick Ward and Bill Carey were the big guns for Silver Lake, and between them missed by one point of matching the Rockland team output.

Carey was the key man on the fast break attack and also proved effective from the outside as he hit for 11 from the floor and one from the line for a 23-point total.

Ward controlled the rebounding on both boards besides meeting four baskets and five fouls for 13 points.

## OLD COLONY BASKETBALL LEAGUE

# Silver Lake Wins, Keeps Tech Hopes

Silver Lake 57 to 54

Middleboro High put up a real battle before bowing to Silver Lake High, 57-54, at Middleboro. A poor first half for Middleboro was the cause of the game as they were out of sync, 13-8, and trailed throughout. They made desperate rallies, which just fell short.

The loss ended to settle down in the second half, only trailing 11-10 at the time. Play continued fairly even terms in the second period with Silver Lake leading 16-10 at the half. The Lakers' offense was managed by Jerry Marshall, who kept Middleboro within reach. The teams started the final period with Middleboro trailing the consistent hitting of sophomore Bill Carey who scored 21-45-36.

The Silver Lake Seconds made a complete night, with a 31-22 decision over the Middleboro Seconds. The summaries:

started as a playmaker and a defensive star.

With the score 9-6 midway in the first period the Lakers exploded and before they were finished they had an 18-6 lead at the end of the period. Spatz scored seven points in this spree and Lopes set off with a long jumper.

The Lakers slackened the pace in the second and third periods, but continued to outscore the opposition. Lopes and Spatz continued to lead the Lakers, with Lopes leading 30-9 in the third period. Somersett's defense sank at the 6-minute mark, each sank a basket and three points led the Lakers in a 32-17, at the half.

The pace began to tell on the courageous Lakers midway in the third period and Somersett's big boys grabbed numerous rebounds and cut the gap to seven points. 44-37, as the last period opened.

The Lakers wouldn't let their opponents pin them down, however, and managed to stay well in front until the final minutes. Somersett moved to within 56-52, on a basket by Somersett with less than a minute to go.

Silver Lake qualified for the Tech Tourney last night by defeating Rockland 70-37, in an Old Colony Basketball League game. The Lakers gave Wareham a lot of trouble before losing, 84-62, and Whitman defeated Abington, 69-54.

Dick Ward and Bill Carey were the big guns for Silver Lake, and between them missed by one point of matching the Rockland team output.

Ward controlled the rebounding on both boards besides meeting four baskets and five fouls for 13 points.

Lakers Beat Abington

Silver Lake High of Kingston pulled away in the second half to turn back Abington High, 71-50, at the Kingston gym Tuesday night.

Abington, hitting from the outside managed to swap hoops with the Lakers in the first and second quarters of play as the Green Wave tallied 13 points in the first quarter to the Lakers' 16 and equalled the Lakers' scoring in the second period.

Sophomore Peter Alberghini managed to keep the Lakers in the game in the second quarter when he hooped four field goals and Bill Carey hit a free throw for almost half of the Lakers' points in the period. The fine rebounding of Dick Ward and Mike Leonard kept the consistent hitting of sophomore Bill Carey who scored 21-45-36.

The Silver Lake Seconds made a complete night, with a 31-22 decision over the Middleboro Seconds. The summaries:

With most of the Lakers' 28  
 offensive rebounds coming in the  
 second half, the Lakers' complete  
 mastery of the paint, the Lak-  
 ers came out with a big third  
 quarter to beat the Washington 20

Spatz sank a shot for Silver Lake and Ernest Williams added one for Somerset with 15 men from Silver Lake High play left. With the score pressing, their finest game of the year as Lopes was calm and calmly they stunned the second placed Blue Eagles from Plymouth High in a thrilling game, 47 to 45, at the Kingston gym.

Laker Mike Leonard scored with a jump shot but nine seconds left. Big Salmon did drive in a score but charged on the play, his fifth personal, and when Spatz dropped in one foul shot, the win was assured.

Killilea paid tribute to his endgame so the 14-year-old are five for their continued hussophomores. Spatz and Alberghini called for their harassing tactics, few fouls during the game. A low scoring game was witnessed as the Lakers played possession ball and moved through to score when the opportunity arose.

The scoring twins of Plymouth High who have scored close to 50 points in almost every game played thus far this year were held to a mere 20 points by the Lakers. Dave Spatz did a defensive job in holding Clem Romano to six points. Laker Dick Ward held Plymouth's scoring Frankie Anderson to a total of 14 points. After the quarter Romano and Anderson were held to 12 points between themselves.

Laker Dick Federico came in to replace Dave Spatz who had fouled out and in up with the Lakers 44th and 45th points. It was climaxed by Mike Leonard's winning basket.

The first quarter ended with Plymouth leading, 12 to 7, paced by Frankie Anderson's eight points. The second quarter saw the Lakers outscore Plymouth, 17 to 12, as all of the Lakers took part in the scoring and evened the count, 24 all, as the first half ended.

Paul Lopes was the high scorer for the winners with 12 from the floor and three fouls for 27 points.

Dick Ward, Laker center with 11 points, was the only other player on either team to hit double figures.

The Hingham Jayvees won the nip-and-tuck opener, 23-21.

With most of the Lakers seconds finishing the last period of play, Silver Lake continued to score the Green Wave, 16 to 7. Three Lakers managed to hit double figures as Carey tallied 16 and Spatz 16 and 16.

Paul Lopes, who scored 12 points alone in the third quarter to Hingham's seven, the Lakers broke the game wide open as they outscored Hingham 26 to 7. The last quarter saw both clubs play on even terms as each scored 16 points in the final period.

A fine defensive job was seen by Laker Ward, who held high scoring Eustis of Hingham High to six points for the entire game. Eustis' six points came in the last quarter. Dick Ward was the only other Silver Lake player to hit the double figures as he allied for 11 points.

The Silver Lake JV's dropped their fourth game in 10 starts in a low scoring battle to the Hingham Seconds, 23 to 21. The summary:

## JUNIOR VARSITY AND FRESHMAN BASKETBALL

Both the J.V. and Freshman teams enjoyed a fine year winning a majority of their games. The Freshmen are aiming at J.V. positions as are the J.V.'s eager to rise to varsity status. It is becoming increasingly evident that Silver Lake will have first place teams in the near future.

## JUNIOR VARSITY FIELD HOCKEY AND BASKETBALL

The J.V.'s displayed the same spirit and enthusiasm as the varsity. These girls are eager to climb to varsity posts. Although the scores showed defeat, the spirit of the girls more than made up for the losses.

# FIELD HOCKEY

This year's team started off well with many girls trying out for hockey. The new coach, Miss Gill, was very helpful in rounding out a spirited team. On almost any afternoon the girls could be seen earnestly practicing with hope of victory. The game with Plymouth was the team's first effort and although it ended in defeat, the girls played very well. The Hingham game showed the team's spirit, but again they failed to win. The girls were ready for Bridgewater and played their best, emerging with a 1 to 1 tie. Traveling to Abington, the girls played their final game and triumphed with a 6-4 victory. Thus, the season ended on a winning note!

# VARSITY BASKETBALL

The basketball season was eagerly awaited with many girls trying out for the team. With the assistance of Mrs. Jones, the girls practiced earnestly for the games ahead. Although the season was not as successful as was hoped, the girls enjoyed themselves very much. The highlight of the season was the climactic win from undefeated Plymouth. Girls! Remember the rush to get back for the boy's game!
